

KORAKUEN HALL ZINE

“I first went to Korakuen Hall in Tokyo on a whim in 2019. Over the five years since, it’s become one of my top two favorite sports arenas and given me a lot of nice memories.”

TJPW

thank you.

The preceding photographs were taken across several visits to Korakuen Hall over the past five years. I first went to Korakuen Hall on a whim while on a trip with friends, with vague memories of George Morikawa's Hajime no Ippo and blurry NJPW real media files in my head. I got convenience store chicken on the way to bring into the venue, and I soon fell in love not long after reaching the floor.

Oracle Arena in Oakland, California is my most favorite arena in the world, but when it comes to pro wrestling, no place is as cool as Korakuen Hall. Take the elevator up and stairs down.
